

**PRESS RELEASE
FOR IMMEDIATE DISTRIBUTION**

D-BOX Closes Deal With Universal Studios Home Entertainment

Beginning with «Death Race» Universal Studios Home Entertainment will include D-BOX motion code™ on selected High Definition Blu-ray™ releases

Longueuil (Québec), November 18 2008 – D-BOX Technologies Inc. (DBO.a on the TSX Venture exchange) announced today that it has closed a licensing agreement with Universal Studios Home Entertainment to feature D-BOX Motion code™ on selected Blu-ray™ disc releases. D-BOX Motion code™ will initially be featured on Universal Studio's Blu-ray™ disc of *Death Race*, which is scheduled to be released on December 23, 2008.

The addition of the D-BOX motion code™ to the high-quality picture and sound of the Blu-ray™ format will transport movie viewers equipped with D-BOX motion generation systems to a new dimension and let them be part of the movie.

«These are very exciting times for D-BOX, as our technology will be supported by a new and prestigious movie studio with a worldwide reach» stated Claude Mc Master, President and Chief Executive Officer of D-BOX Technologies. We are very proud of having Universal Studios Home Entertainment on board as it will undoubtedly accelerate the penetration of our technology worldwide and will significantly enhance our efforts to become a world standard in the entertainment industry.”

About D-BOX

D-BOX Technologies designs and manufactures high-technology motion systems destined mainly for the entertainment industry. Its unique, patented technology uses D-BOX Motion Code™ specifically programmed for each film, TV program or video game, resulting in motion that is perfectly synchronised with on-screen action. By forming strong industry alliances, D-BOX's award-winning motion technology is creating a global standard in the entertainment world. For more information, please visit www.d-box.com
