D-BOX Names First Summer Flicks to Feature Exclusive Motion Technology

Warner Bros. Pictures' "Jonah Hex" and "Inception" in Theaters this Summer

Longueuil, Quebec, (May 6, 2010) – D-BOX Technologies Inc. (DBO.A on the TSX Venture Exchange), a leader in innovative motion technology for the entertainment industry, announced today the first summer films to feature its innovative motion technology. Both with Warner Bros. Pictures, *Jonah Hex* will open in theatres June 18 followed by *Inception*, opening July 16.

Averaging about one new movie per month, D-BOX has also increased its number of MFX seats available at movie theatres, nearly doubling that figure in just the last four months with 608 D-BOX MFX Seats now installed in 26 movie theatres worldwide.

"As we continue our expansion, installing our technology in new theatres, we are also actively seeking new movie content that is going to offer the excitement and entertainment moviegoers have now come to expect from the experience," said Claude Mc Master, Chief Executive Officer of D-BOX Technologies. "With the latest Warner Bros. movies announced, we've added realistic motion effects to a total of 17 movies since we launched in April last year and are continuing to add new films at a steady pace."

About D-BOX

D-BOX Technologies designs and manufactures leading edge high-technology motion systems mainly suited to the needs of the entertainment industry. With its unique, patented technology, D-BOX Motion Code™, uses motion effects specifically programmed for each film, TV series or video game, which are sent to a motion generating system integrated within either a platform or a seat. The resulting motion is perfectly synchronized with all onscreen action, creating an unmatched realistic, immersive experience. To date, D-BOX Motion Code™ is available on more than 900 titles.

Accordingly, many prominent Hollywood studios have started embedding D-BOX Motion Code™ on selected high definition Blu-ray™ and theatrical releases. By reaching agreements with the leaders of both the motion picture and gaming industries, D-BOX's award-winning motion technology is gradually proving itself as a new global standard in the entertainment world. D-BOX is a publicly traded company listed on the TSX Venture exchange under the symbol DBO.A. For further information please see www.d-box.com.
