

## **D-BOX CONCLUDES AN AGREEMENT IN EUROPE WITH FRENCH FILM EDITOR EMYLIA**

*EMYLIA will integrate D-BOX Motion Code™ on selected high-definition Blu-ray™ titles*

Longueuil, Québec, January 27, 2009 -- D-BOX Technologies Inc. (DBO.A on the TSX Venture Exchange), a leader in the design and manufacturing of innovative motion technology for the entertainment industry announced today the conclusion of a licensing agreement with French film editor EMYLIA to integrate D-BOX Motion Code™ on selected high-definition Blu-ray™ titles.

« We are very pleased being able to add EMYLIA to our growing list of partners » stated Mr. Claude Mc Master, President and Chief Executive Officer of D-BOX Technologies. « This European agreement demonstrates once again the growing acceptance of our motion generating technology and constitutes amongst others, an interesting complement to already existing agreements with some of Hollywood's most important studios. »

According to Mr. Alexandre Simard, executive at EMYLIA, « The addition of D-BOX Motion Code™ to the image and sound will allow movie viewers to experience an immersive experience of unprecedented realism. The integration of this new technology demonstrates amongst others EMYLIA's commitment towards its clientele to deliver the ultimate in entertainment experience. EMYLIA's team will begin working immediately with D-BOX and aims to announce as soon as May 2009, the titles of the first D-BOX embedded movies. »

### **ABOUT D-BOX**

D-BOX has pioneered the next step in the evolution of home, theatrical and gaming entertainment systems, a patented precision encoding system allowing for the creation of a custom motion track for each film, TV program or video game. The result for the viewer is an added dimension of realistic Motion effects (MFX) perfectly synchronized with on-screen action, for a supremely exciting and immersive entertainment experience right in their viewing seat. An opportunity for studios and retailers alike, this exciting new level of interactivity and immersion is well on its way to being a de facto industry standard; D-BOX's award-winning motion technology is available for more than 850 titles globally. Several Major Hollywood studios have embedded D-BOX Motion Code™ on many recent blockbuster Blu-ray™ releases. For more information, please visit [www.d-box.com](http://www.d-box.com)
