

**For Immediate Release**

## **EXPERIENCE HOLLYWOOD MEGA-HITS LIKE NEVER BEFORE**

**D-Box Motion Code Technology To Be Featured on Two "Must Have" Blu-ray Disc Titles From Twentieth Century Fox Home Entertainment**

**INDEPENDENCE DAY and I, ROBOT Debut on BD with D-BOX  
March 11**

**LAS VEGAS - CES Booth South 1 20659 - January 9, 2008** - D-BOX Technologies (TSX-V: DBO.A) today announced that Twentieth Century Fox Home Entertainment's Blu-ray disc releases of **INDEPENDENCE DAY** and **I, ROBOT**, available March 11, 2008, will feature D-BOX's award-winning motion code technology.

With D-BOX, viewers can get right into the action of their favorite films in a way they never thought possible. Every FRAME in **INDEPENDENCE DAY** and **I, ROBOT** has been encoded by the motion artists at the D-BOX™ motion editing studio, from the most subtle to the most explosive. Viewers equipped with a D-BOX integrated motion system will actually feel the rush of flight, the torque of speed and bumps in the road, and virtually every pulse in these two science fiction action thrillers.

"We are thrilled to continue this work with Fox and help movie-viewers experience these amazing Blu-ray titles in a whole new way," said Claude Mc Master, President and Chief Executive Officer, D-BOX Technologies. "A Blu-ray home entertainment system that includes D-BOX's integrated motion system is really the ultimate in in-home cinematic experiences for movie lovers."

In addition to the upcoming releases of **INDEPENDENCE DAY** and **I, ROBOT**, Fox has previously released several of its high profile Blu-ray Disc titles with the D-BOX Motion Code including the recent top-selling releases of **FANTASTIC FOUR: RISE OF THE SILVER SURFER** and **LIVE FREE OR DIE HARD**.

"D-BOX offers viewers a truly immersive home entertainment experience perfectly suited to the action in **INDEPENDENCE DAY** and **I,ROBOT**," stated Danny Kaye, Executive Vice President, Global Research & Technology Strategy, Twentieth Century Fox Home Entertainment. "We believe motion technology could be the wave of the future and is a complement to Blu-ray's superior picture and audio quality and advanced interactivity."

### **About D-BOX Technologies**

D-BOX Technologies designs and manufactures high-technology motion systems destined mainly for the entertainment industry. Its unique, patented technology uses motion codes specifically programmed for each film, TV program or video game, resulting in motion that is

perfectly synchronised with on-screen action. By forming strong industry alliances, D-BOX's award-winning motion technology is creating a global standard in the entertainment world. For more information, please visit [www.d-box.com](http://www.d-box.com).

### **About Twentieth Century Fox Home Entertainment**

A recognized global industry leader, Twentieth Century Fox Home Entertainment LLC (TCFHE) is the worldwide marketing, sales and distribution company for all Fox film and television programming on VHS, DVD and Blu-ray Disc (BD) as well as acquisitions and original productions. The company also releases all products around the globe for MGM Home Entertainment. Each year TCFHE introduces hundreds of new and newly enhanced products, which it services to retail outlets -- from mass merchants and warehouse clubs to specialty stores and e-commerce - throughout the world. Twentieth Century Fox Home Entertainment LLC is a subsidiary of Twentieth Century Fox Film Corporation, a News Corporation company.

D-BOX is a registered trademark and Motion Code is a trademark of D-BOX Technologies Inc. Other names are for informational purposes only and may be trademarks of their respective owners.

### ***Forward-Looking Statements***

*Certain statements included herein, including those that express management's expectations or estimates of our future performance, constitute "forward-looking statements" within the meaning of applicable securities laws. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies. We caution that such forward-looking statements involve known and unknown risks, uncertainties and other risks that may cause our actual financial results, performance, or achievements to be materially different from our estimated future results, performance or achievements expressed or implied by those forward-looking statements. Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation, our ability to achieve increased market acceptance for our product offerings and penetrate new markets; the existence of undetected errors or similar problems in our products; our ability to manage our growth; our ability to compete successfully; potential liabilities; maintaining our intellectual property rights and litigation involving intellectual property rights; our dependence on the expertise of our key personnel; and our access to sufficient capital to fund our future requirements. This list is not exhaustive of the factors that may affect any of our forward-looking statements. Investors are cautioned not to put undue reliance on forward-looking statements. All subsequent written and oral forward-looking statements attributable to D-BOX or persons acting on our behalf are expressly qualified in their entirety by this notice. We disclaim any intent or obligation to update publicly these forward-looking statements, whether as a result of new information, future events or otherwise. Risks and uncertainties about our business are more fully discussed in our Annual Report.*
